Synthetic [Éléphant Āccénted éxpándéd LongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpacesLongLabelWithoutSpaces]

Eligible in the recorded comparison

Front: 225/45R18; rear: 255/40R18

Preference score: 73.12 / 100; evidence confidence: Medium

Installed estimate (4 tires): $700.00-$950.00 USD

Tires-only estimate: $600.00-$800.00 USD

- The stored fitment reference was verified.
- Some comparison evidence is missing.

Comparison revision 2

Private quote 1

Blocked option - recorded fitment is incompatible

See the recorded private comparison for fitment details

Product recognized in the evaluated evidence.

Fitment: blocked

Climate: unknown

Preference score: Unavailable; comparison evidence: Required comparison evidence is missing

Installed estimate (4 tires): $749.00 USD

Recorded quote base: $749.00 USD

The quote base may already include installation or tax; it is not a tires-only breakdown. No fees are subtracted here. Review the entered quantity and basis.

Quote minus observed installed range: Unavailable

- Cost relationship: not comparable

Private quote 2

Climate unsuitable in the recorded evidence

See the recorded private comparison for fitment details

Unverified product; no fitment or suitability approval.

Fitment: unverified

Climate: unsuitable

Preference score: Unavailable; comparison evidence: Required comparison evidence is missing

Installed estimate (Quantity unavailable): Unavailable

Recorded quote base: Unavailable

The quote base may already include installation or tax; it is not a tires-only breakdown. No fees are subtracted here. Review the entered quantity and basis.

Quote minus observed installed range: Unavailable

- Cost relationship: not comparable

Private quote 3

Unverified option - no fitment approval

See the recorded private comparison for fitment details

Unverified product; no fitment or suitability approval.

Fitment: unverified

Climate: unknown

Preference score: Unavailable; comparison evidence: Required comparison evidence is missing

Installed estimate (Quantity unavailable): Unavailable

Recorded quote base: Unavailable

The quote base may already include installation or tax; it is not a tires-only breakdown. No fees are subtracted here. Review the entered quantity and basis.

Quote minus observed installed range: Unavailable

- Cost relationship: not comparable

Private quote 4

Unverified option - no fitment approval

See the recorded private comparison for fitment details

Unverified product; no fitment or suitability approval.

Fitment: unverified

Climate: unknown

Preference score: Unavailable; comparison evidence: Required comparison evidence is missing

Installed estimate (Quantity unavailable): Unavailable

Recorded quote base: Unavailable

The quote base may already include installation or tax; it is not a tires-only breakdown. No fees are subtracted here. Review the entered quantity and basis.

Quote minus observed installed range: Unavailable

- Cost relationship: not comparable

Lifetime cost, savings and replacement forecasts are unavailable for this comparison: no ownership scenario has been calculated. No price is a safety rating or live purchase offer.

Maintenance and questions

Maintenance was not assessed. No physical tire-condition inspection is included. Review missing fitment, condition, source and cost information with a qualified professional.
